“ I feel blessed to have had Yvonne as a friend and neighbor, and feel so deeply saddened by her passing. Yvonne was the perfect image of a lady, gracious, smart, filled with empathy, and charm. We shared a love for our deceased husbands and talked about the pains of widowhood. We loved our cats, one of mine visited her beloved kitty daily. I send my thoughts and prayers, and love, Diana Ingram Thurston

“ Thank you very much for the kind words, Diana. My mom and her siblings are not very savvy with technology, but I will be sure to share your kind message with them. Thank you for all of the love and attention you have shared with my Grammy and Milly over the years
